

LSS Champion

Are you responsible for driving Lean Six Sigma initiatives within your organization as a champion? Our Open Enrollment Lean Six Sigma Champion Course is the perfect place to gain the skills and knowledge needed to successfully lead and support process improvement projects.

Led by experienced Lean Six Sigma instructors, our comprehensive course will provide you with a deep understanding of the Lean Six Sigma methodology, and how it can be applied to drive improvement and achieve organizational objectives. You will learn how to identify and prioritize high-impact projects, establish project governance, and manage project portfolios.

Throughout the course, you will learn how to establish a culture of continuous improvement, support, and mentor Lean Six Sigma project teams, and measure the success of your improvement initiatives. You will also learn how to communicate the value of Lean Six Sigma initiatives to stakeholders and gain buy-in for your improvement projects.

Our Open Enrollment Lean Six Sigma Champion Course is perfect for professionals who are responsible for driving Lean Six Sigma initiatives and ensuring their organization is aligned with Lean Six Sigma

principles. With flexible scheduling and affordable pricing, there's never been a better time to take your Lean Six Sigma skills to the next level.

Don't miss out on this opportunity to become a certified Lean Six Sigma Champion. Enroll in our Open Enrollment course today and take the first step towards becoming a leader in Lean Six Sigma initiatives within your organization.
